-Pole and Chamber Mounting-

|	
Slide assembly onto Unistrut and tighten once in position. Face down or left and right options are available – This is face down	
This is right hand mounted	

2. POLE MOUNTING - Single DP
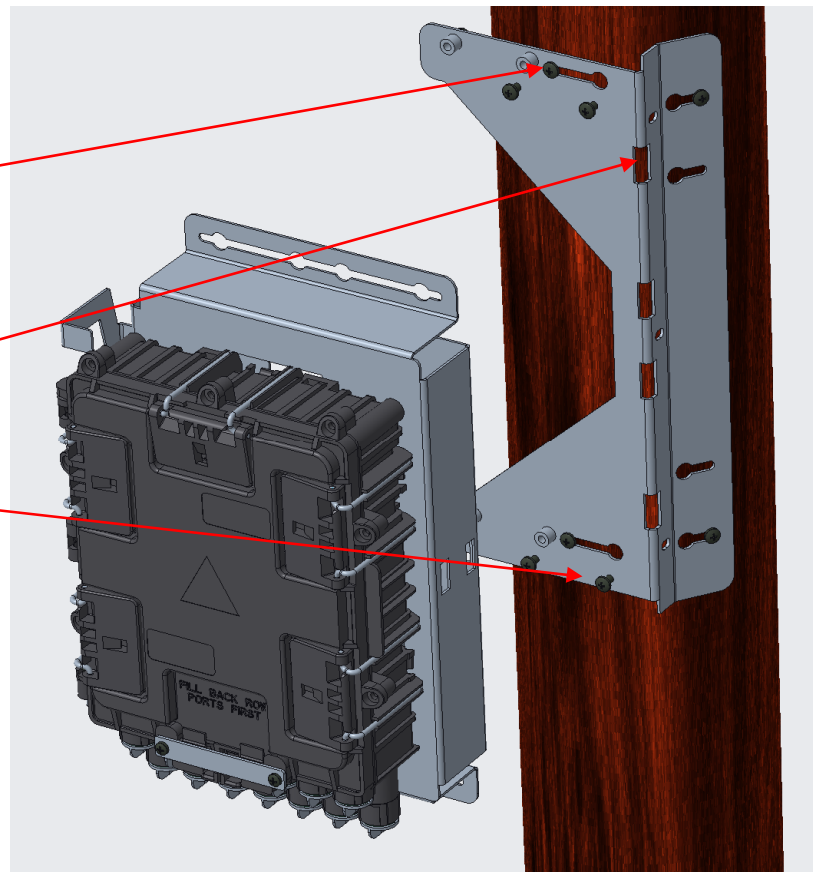

Use inserts on rear of DP to attach DP bracket	
For single pole mount, fix pole bracket as shown using screws top and bottom. For steel or concrete poles use strap these strap slots. Pre assemble screws top and bottom to receive DP
